

2010 North & South Amateur Championship

Men: June 28 – July 3, 2010

Women: July 19 – July 24, 2010

Pinehurst Private Housing Information

The North & South Amateur Championships have been a part of amateur golf for over 109 years and have seen the likes of Nicklaus, Palmer, and Ward compete on these hallowed grounds. One of the unique ‘charms’ of the North & South Amateur Championship is the private housing option that Pinehurst Country Club members provide. This option not only helps with the expense of competing, but also provides an opportunity for players and members to connect in a unique way during this historic North & South Championship.

While private housing is not guaranteed, we will try to accommodate all requests we receive for private housing. Following acceptance to the tournament, players will be matched up with a host family, based on information received in the Private Housing – Player Request Form. Pinehurst Country Club member volunteers will manage the matching process between hosts and players.

If you choose to stay in Private Housing, please note the following... Pinehurst Country Club member hosts will provide the following accommodations to meet the needs of the player during his/her Championship participation:

- Provide housing from day player arrives for registration through his/her last day of competition. If the player makes the finals, this includes the following dates:
 - **Men: Monday, June 28 through Saturday, July 3rd**
 - **Women: Monday, July 19 through Saturday, July 24th**
- If the player brings a caddie for the event, the caddie may also stay with the player in the private housing. (This must be noted on the Player Request form so we can provide appropriate accommodations.)
- Provide comfortable facilities for sleeping & bathing.
- Provide Breakfast each morning.
- Daily transportation to and from golf course (if the player does not have his/her own transportation).

We are willing to try to accommodate some special circumstances beyond the above guidelines, but we ask that you note these special requests on your Private Housing – Player Request Form. In the past, these special requests have included requests to arrive a day or two early, needing to stay after your last day of competition, or hosting a family member as well. We ask that you provide this information to us on the form so we can try to match you with a member who may accommodate this special request!

Once you are matched with the Pinehurst Member host, you will receive via email the name and contact information of your host.

Also, please note that in appreciation for their support of this tournament, your host is invited to the Player’s Dinner on Monday evening. Please plan to join your host for dinner, along with other players, hosts, and Pinehurst Resort and Golf representatives.

Please fill out the attached form to request Private Housing and to help us make appropriate housing matches between our Pinehurst Members and North & South Amateur Championship contestants.

If you have any further questions about our Private Housing option, please send an email to: PinehurstPrivateHousing@nc.rr.com and one of the member coordinators will be in touch.
