

Winternational Junior Series at Pinehurst
Event # 6

THE WINTERNATIONAL JUNIOR SERIES at PINEHURST has postponed this weekend's event because of the strong possibility of treacherous travel conditions and frigid temperatures.

We will hold a newly scheduled event on March 6 and 7, 2010 on Pinehurst No.1, this new event will take the place of this weekends' postponed tournament.

As in all of our nine tournaments, every member is eligible for this newly scheduled event and should enter online, if a member was already entered in this weeks' event we ask the member to email Peter deYoung (peter@juniorgolfpinehurst.com) so that entry fees may be switched to the event of the members' choice.

Thank you for your understanding and we look forward to welcoming you to Pinehurst in the near future.

If you have any questions please call the tournament office (910) 235-8140
