

### Welcome to Pinehurst.

Helping players maintain an enjoyable pace of play is a top priority at Pinehurst. One group out of position impacts the entire course. Targeted pace is 4 hours 30 minutes. Please consider these pace tips as you prepare for your rounds.

- **Play Proper Tees** | Only highly skilled golfers play blue tees.

	○	●	●	●
No. 2 yardage	6,350	7,000	5,300	5,800
No. 4 yardage	6,450	7,000	5,300	5,900
No. 8 yardage	6,300	6,700	5,150	5,800

- **Cart Restrictions** | Carts remain on paths on Pinehurst Nos. 2 and 4, requiring moderate walking. Consider a caddie, forecaddie or push cart as faster alternatives.
- **Play Ready Golf** | Quickly assess your yardage, club selection and play when ready.
- **Continuous Putting** | Eliminate excess time on greens by putting out versus marking. Pay attention as your ball rolls to a stop previewing the line of your next putt.
- **Please Be Respectful** | You may be approached by an assistant requesting you modify pace to reestablish course position.
- **Split Tees** | Due to demand for morning tee times, we frequently start golfers off the 1<sup>st</sup> and 14<sup>th</sup> tee on No. 2 and 1<sup>st</sup> and 10<sup>th</sup> tee on No. 8. Adherence to pace guidelines ensures satisfaction during these high demand situations. Starting hole confirmed at time of reservation.
